United States District Court

Re: Nunez, et al. v. City of New York, et al., 11-cv-5845 (LTS) (JCF)

Dear Judge Swain,

We write to respectfully recommend a modification to the *Nunez* Consent Judgment (dkt. 249) regarding the requirement for Non-DOC Staff Members who witness a Use of Force Incident that results in an apparent injury to report the incident in writing pursuant to § V. (Use of Force Reporting & Tracking), ¶ 10. The Monitoring Team recommends that this provision is modified to require Non-DOC Staff Members who witness a Use of Force Incident to report the incident in writing regardless of whether the Use of Force Incident “results in an apparent injury.” The modifier of “results in an apparent injury” adds a subjective element to the reporting requirement that is confusing and difficult to implement. Therefore, in order to facilitate and encourage reporting by Non-DOC Staff, the Monitoring Team recommends the removal of “results in apparent injury” from the reporting requirement. The recommended modification to § V. (Use of Force Reporting & Tracking), ¶ 10, that we respectfully request your Honor approve and order, is demonstrated in the track changes below.

The City shall require that Non-DOC Staff Members who witness a Use of Force Incident ~~that results in an apparent injury to~~ report the incident in writing directly to the area Tour Commander or to a supervisor who is responsible for providing the report to the individual responsible for investigating the incident. The City shall clearly communicate in writing this reporting requirement to all Non-DOC Staff, and shall advise all Non-DOC Staff that the failure to report Use of Force Incidents ~~that result in apparent injuries~~, or the failure to provide complete and

accurate information regarding such Use of Force Incidents, may result in discipline.

This is the seventh request to modify certain provisions of the Consent Judgment.¹

We have discussed the proposed modification with the Parties and they consent to the Monitor's recommendation.

Please do not hesitate to reach out if you have any questions or require any further information.

Sincerely,

s/ Steve J. Martin

The foregoing modification is approved.
